

Curriculum

Preschool/Children/Preteen

Bible Teaching for Kids— Bible Teaching for Kids provides a balanced approach to central Bible concepts, essential Bible skills, and foundational Bible stories for babies through pre-teens. The Bible Teaching for Kids' three-year scope and sequence plan uses a precept-upon-precept approach to teach Bible concepts, skills, and stories. In this way, biblical learning in each age group builds upon previous learning. More information is available at: www.lifeway.com

Student Ministry

Student Life Bible Study— is a six year curriculum that equips students to know the truth. This internet based curriculum is based on foundational doctrinal truths and a six year cycle that leads students through the entire Bible twice. Six units include: Christ, Character, Community, Covenant, Consecration, Commission. More information is available at: www.studentlifebiblestudy.com

Adult Ministry

Several Options are available in Adult SS:

Explore the Bible (ETB) — a systematic and comprehensive study of both the New and Old Testaments. This material is clearly written and gives a thorough exposition of Bible passages. Adults studying this material will experience the Christian faith by exploring the Scripture and then applying it to their everyday lives.

Bible Study for Life (BSL) — Bible Studies for Life curriculum is designed to help adults know, be, and do all God desires for them. The Bible is the essential handbook. God uses His Word to help adults

- Build Bible knowledge and understanding
- Develop Godly values
- Live with God-given purpose

More information is available at: www.lifeway.com

Book of the Bible (BOTB)—the Bible is our textbook. These classes use the Bible as their teacher as they focus on the facts, lessons, and applications of God's Word as they study books of the Bible. (Also may include a topical study)

Regular Baptist Press (RBPT) - Topical Bible study curriculum that encourages adults to build their lives on the Word of God. Each study is designed to help busy adult learners do inductive Bible study on their own or in groups and to practice God's Word in practical, effective ways. These bible studies can be used in a classroom or in small group setting. More information is available at: www.rbptstore.org

Life Bible Study (LBS) - Life Bible Study provides biblically-based, adult curricula that is simple to use and available in different study lengths. Life Bible Study offers real, applicable life lessons and explorations into God's Word that will make discovering God's promises a reality. Each study enables groups, large or small, to uncover a genuine understanding of God's Word and how we all fit into God's masterful plan. More information is available at: www.lifebiblestudy.com
